Penguin Readers is a new series of the best contemporary fiction, essential non-fiction and popular classics specially written for learners of English as a foreign language.

Beautifully illustrated and carefully adapted, this graded readers series combines Penguin Random House's internationally bestselling authors and most compelling content with structured language progression.

From Starter (Pre-A1) to Level 7 (B2), Penguin Readers follow the CEFR framework and include language activities that help readers of all ages and abilities to develop key skills.

All titles are supported by online resources including digital books, audio, additional exercises and activities, as well as a series handbook and introductory videos.

STARTER

LEVEL 1

LEVEL 3

Penguin Readers are published across 8 levels, from Pre-A1 (Starter) to B2 (Level 7), with each corresponding to the Common European Framework of Reference (CEFR) and featuring activity types aligned to international exams including Flyers, PET, KET, FCE, CAE, CPE and TOEFL.

The language used in each reader is strictly controlled, with the grammar syllabus and permitted vocabulary correlating to the CEFR. A small number of new words are introduced in each story, and are all explained in a glossary at the back of the book.

With accompanying audio and additional resources to help test comprehension, grammar and vocabulary skills, Penguin Readers not only help to develop reading, writing and listening, but also critical thinking and twenty-first century skills.
