Message from the series editor, Rob Waring

This beautifully-illustrated new series of classic tales for beginning readers is designed to be engaging, enjoyable and entertaining, as well as easily comprehensible. The series is full of classic stories from your favorite storytellers; Aesop, the Grimm brothers, Hans Christian Andersen, Charles Perrault, and many more.

The series helps beginning readers build comprehension in many ways. Each book introduces the special words needed for each story in a 'before-you-read' section, and the important words and phrases are also recycled and consolidated in a playlet based on the story at the end of each book.
